Hi Freya,

Yes, Terrie will be the primary TA for West Lake Landfill.

Thanks,

Kirby

Hi Kirby and Krissy.

Will Terrie be the technical advisor for much of the West Lake Landfill work (TD just sent)? The Region is responding to questions from the CAG/community about the technical advisor under TASC; if you know for certain who will be involved in providing the technical assistance, could you let us know? Could you please include the Regional staff (cc'd) in your response to this e-mail.

Thanks, Freya
